1. Attached is a translation of the Mexican police interrogation report on Gilberto ALVARADO, Nicaraguan who claimed to have seen Lee OSWALD accept \$6500 in the Cuban Embassy in Mexico City to assassinate President Kennedy. The report states that ALVARADO retracted these assertions and admitted that he made them to induce the U.S. to take stronger action against Cuba.

3. As you know, ALVARADO retracted the confession of fabrication which he made to the Mexican police and had to be re-interrogated by representatives of this Agency and your Bureau. This later interrogation showed that he was probably lying.
